

How do I register for the Online Tee Time System?

In order to set-up your account you first need to register on the club website. Once you are on the club website you will have to navigate to the Members Online Booking page which will look like the screen below.

The screenshot shows the 'Members' Internet Golf Reservation Service' page. At the top left is the 'BRS GOLF' logo. At the top right is a 'HOME' link. The main heading is 'Members' Internet Golf Reservation Service'. Below this is a welcome message: 'Welcome to the Stephen's Golf Club Internet Golf Reservation Service. This service allows members to book a tee time over the Internet and get instant on-screen and email confirmation of their booking.' This is followed by a paragraph explaining that the service is an integral part of the club's live computerised booking system. A note states that users need a username and password. There are two buttons: 'CLICK HERE TO REGISTER' and 'BOOK A TEE TIME'. A 'Help Documents and Videos' section lists three items: 'How do I register to use the Booking System?', 'How do I Add, Edit and Delete a Booking?', and a video link 'Click here to view demo video of the registration and booking process for members.' A 'Booking Process' section lists four stages: 'Stage 1: Select the day you want to play', 'Stage 2: Select the time you want', 'Stage 3: Enter the player names', and 'Stage 4: Display and email confirmation message'. A final note says 'Your booking is only confirmed if you proceed to the last stage.'

Clicking on the  button will open up the registration form, as seen below.
