Welcome to Seapoint Golf Links

Our History & Course

Seapoint Golf Links is one of the world's youngest links golf courses, though it offers a golf experience that gives testament to the quality of the challenge presented by its designers. Opening in 1993, the course has hosted European Tour and Irish PGA Tournaments, as well as the Irish Amateur Championship, the country's pre-eminent amateur event.

Measuring 6,439 meters from its Championship tees, Seapoint Golf Links provides a golf challenge for even the most formidable of golfers. However, a variety of teeing positions ensures a fair test for golfers of all abilities to enjoy a wonderful links experience.

With two loops of nine holes, the 1st tee and 10th Tees are located by the clubhouse, adjacent to a full-length practice range. A picturesque finish awaits at the 18th green, with stunning views out to the Irish Sea.

Over €1.5 million has been spent in recent years to upgrade the clubhouse and golf course. Having hosted the world's leading senior golfers for the Irish Legends in 2023 and 2024, the venue is set to host the Flogas Men's Irish Amateur Championship in summer 2025.

The result delivers a warm, contemporary and relaxing environment for golfers to reflect on a links experience like no other.
